

EUROPEAN DEMOLITION ASSOCIATION

EDA ANNUAL CONVENTION

Berlin, 14th - 16th
June 2012
Germany

**OUR
MARKET**

INVITATION

Dear colleagues and friends,

Next June EDA meets with the European demolition professionals and also welcomes people of the industry from all over the world.

This year the convention is going to focus on exploring and sharing about Our Market. We want to mix visions and experiences from different professionals, countries and markets.

I would like to invite you to take part on the EDA Annual Convention 2012. This time the event is going to be held in Berlin, Germany, a city in the heart of Europe, a country with one of the strongest demolition industries.

Here I present you a draft of the EDA Annual Convention Program. We have professional and leisure activities because this event is also a great occasion to improve the personal relations within the industry in a friendly enviroment.

I hope to meet you all in Berlin!

Mr. Giuseppe Panseri
EDA President
